1. Go to GiveGab's website (listed above)

This is PCRC's official fundraising page for our Ride/Run/Walk for Children at Quarry Walk. This is an event that supports our Parent Child Resource Center (PCRC). The website has all the information needed for yourself, Riders, Runners and walkers.

Once you are registered, your information is listed making it easy for friends, family and co-workers to donate to you individually or to your entire team!

2. Click REGISTER!

Fill out all information. Click **SAVE** once completed.

On the second page you have the option to register additional participants. At the bottom of the page you can create a **New Team***. Once your team is created, your teammates can **Join Existing Team** (the Team Name will be listed in the drop-down once it is created).

*The first person to register to create the team is the Official Captain of that team. If you need a different person on the team to become the Captain, please contact Kati Lewantowicz (contact information listed below).

3. Payment

There is a **\$50 Rider** fee, **\$20 Runner & Walker** fee (\$25 Runner & Walker fee if you sign up the day of the event). Your grand total will reflect yourself, and any additional Riders or Runners you add.

You also have the option to donate a gift to start off your page with a donation!

6. Take a look around!

This is your page! Own it!

The first landing page will be your **Dashboard** which is always accessible to you. It is located on the top of the page.

On your **Dashboard** you will see the following buttons: **View** and **Toolkit**

View will show you what your personal page looks like.

Toolkit is where you personalize your page and how to raise money and reach your goals!
