# Spring for Alexandria's Community Service Day:

Volunteer Alexandria, in collaboration with the City of Alexandria, hosts a city-wide Community Service Day where hundreds of people volunteer to support nonprofits and City agencies. Participants register as individuals, join or form a team, raise funds to win prizes, and volunteer their time on Friday, May 17 from 12:30-4:30 p.m. Following the day of service, volunteers come together to celebrate a great day of giving.

**Register today at**

[Givegab.com/campaigns/VolAlex2019CSD](http://Givegab.com/campaigns/VolAlex2019CSD)

## Who benefits from the funds YOU raise?

Your contributions and funds you raise will be used to cover Community Service Day event expenses, including tools, food, beverages and shirts. Additional funds will support Volunteer Alexandria's year-round efforts to recruit, coordinate, manage and prepare volunteers to donate their time and talent to local nonprofit. Your gifts allows the nonprofit to focus their time and resources to solving Alexandria's greatest social challenges: feed the hungry, housing the homeless, tutoring youth, visiting the homebound, and sheltering animals.

Your contributions make Alexandria a better, more engaged place to live, work, play and give.
