How to Cut and Donate Hair

Hair that is cut at our JUST SHAVE IT event will be donated to Wigs for Kids.

For the best results, please follow these simple steps:

- Make sure hair is a minimum of 12 inches for proper hair donation length. Pull curly hair straight for a more accurate measurement.
- Hair must be clean and dry. Wet hair will mold in shipping and will be thrown away.
- Hair cannot be permed, color-treated, or highlighted. Temporary coloring or highlights that wash out are acceptable but must be completely washed out before cutting. Gray hair is accepted.
- Wrap ALL ponytails in one (1) piece of tissue paper and seal in a Ziploc bag. Mail the hair in a sealed envelope or a small shipping box (special containers or insurance are not necessary) to:
