Why Sponsor?

For 50 years, SOTX has had a powerful impact on our community at large and a sponsorship can help make the dreams of our athletes, as well as their family and friends come true. Join our Inclusion Revolution and reach far beyond this event and change the lives and perceptions of your employees, your company and your community.

- Special Olympics athletes perform better in school, enjoy stronger family relationships, make more friends, and are more prepared to live and work in their communities.
- 48% of Special Olympics athletes become employed, compared to only 28% of individuals with intellectual disabilities who do not participate in Special Olympics.
- 91¢ of every dollar raised goes directly to support programs for SOTX athletes.
